

EUROPEAN JAMBOREE 2020 POLSKA

1st - 2nd Dec 2018 - Willesley Campsite Selection Weekend Leaders Information

What is Eurojam 2020?

A new inspiring Scout and Guide adventure awaits in the summer of 2020.

Following the last Eurojam, in 2005 hosted in the United Kingdom, the European Jamboree returns with a gathering of Scouts and Guides from all over Europe, in Poland to celebrate our values, strengthen our international community and provide the opportunity to meet and learn from each other. Mark your calendars now for the **27TH JULY TO 6TH AUGUST 2020!** An amazing adventure awaits!

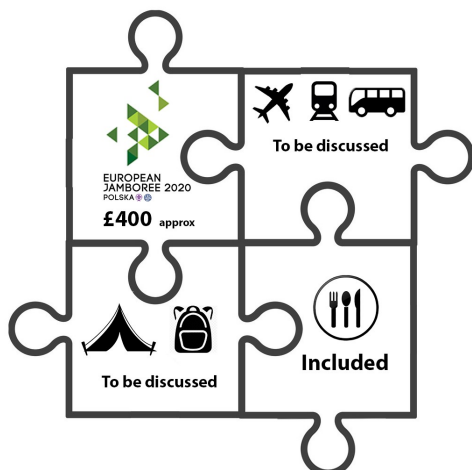

How much will it cost?

This is always the important question, and the honest answer is we do not know! The leadership team has estimated a complete cost of £1500, although this depends on the unit itself.

In keeping with the UK Youth Shape values, and because of the flexibility of the Jamboree, key decisions are going to be made by the unit - how we get there, whether we visit anywhere else, the equipment or clothing we take.... The decision is completely theirs!

Whatever the cost though, there will be fundraising options available - making this the most accessible Jamboree ever!

What is the selection process?

Every County in the UK has been given 36 places to form a unit. We are expecting this camp to be very popular, and a selection weekend is the fairest way to select the participants.

The selection weekend is a free weekend of activities, where we just want the participants to come and have fun. Eurojam in 2020 is open to 14-18 year olds, the selection weekend is open to all Scouts and Explorers born between 06/08/2002 and 26/07/2006.

All the participants should arrive at 10:00 on Saturday morning. All participants will need to bring a tent as there will be a night stay at the campsite - if you have more than one young person attending then it might be worth getting them to share a tent. On the Sunday we will also be holding a parents briefing for all who attend, which is also open to all District Commissioners, Assistant District Commissioners for Scouts and District Explorer Scout Commissioners from across the County.

If you have any interest in attending, please get them to fill in an application form and email it back to ESJ2020@leicestershirescouts.org.uk.

As a leader, how can I help?

As leaders, you are crucial for the support of this event in a number of ways.

Please encourage any members in your section or unit that falls in the age range to attend - every member deserves the opportunity to attend a Jamboree once in their life, and this one is set to be brilliant!

Those attending selection may not have their own tent or sleeping kit, if you can support with any issues your Scouts/Explorers may have in attending the selection weekend then that will be incredibly supportive and inclusive.

Finally, if any of your Youth Members are selected then we encourage you to support them in finding opportunities to fundraise through activities and events.
